

About Menindee

Located 110 km from Broken Hill, this historic town is surrounded by lakes fed by the Darling River. A water-storage project completed in the 1960s now supplies farms and orchards producing such crops as grapes, rockmelons, tomatoes and apricots.

The combined expanse of the Menindee Lakes is considered to hold more than three times the volume of Sydney Harbour when full. Water sports such as sailing, swimming and skiing are popular on the Menindee Lakes. Fishing opportunities are plentiful, with anglers easily landing such prime catches as murray cod and golden perch. Photograph the lakes at sunset or discover the wealth of Aboriginal heritage sites within Kinchega National Park.

Beyond Cafe

Beyond Cafe is open Sunday between 2-5 in the dining carriage of the train. Enjoy a unique afternoon dining on delicious cakes and slices, coffees and a variety of drinks that are prepared and served by students from Menindee Central School.

This venture provides an opportunity for students and the community to obtain valuable skills in the hospitality industry and provides the foundations for developing the capacity of the community.
