Wed pm - Fri pm

Please be patient in the mornings when waiting for the School Bus.

On occasions the driver needs to make 2 runs around Menindee before heading over the river to collect students from that area.

For students who live over the river, a courtesy call to school if they are not going to be on the bus would be appreciated, then we can let the driver know. Thank you.

The office is open every morning from 7:45am.

Fathers Day Fun

Last Friday we had a great turn up of Dads, Grandads, Uncles and a Mum who all enjoyed spending time with their children, getting in touch with their creative side before being served Hotdogs, cooked and served by Mr Bastings stage 4 Technology class.

Plastic Cup Pyramid

Students from the junior primary classes had assistance from their SLSO, Renay, to build the giant pyramid.

Terrifying Tales

Jaz, Lucas and Cameron wrote stories with Jane Carroll using the word 'crept'. They came up with some terrifying tales.

I was watching anabelle
in my room. (Then ^{suddenly}
^{the TV} it) went on static
mode. (Then ^{and} anabelle
crept behind me. She
bit my head off. She
ate my body bit by bit.
Until I was gone. She
spat my bits in the
bin.

Training Needs Identification Funding (TNI)

Here is your invitation to access fully funded training to upskill your workforce!

The NSW Department of Industry have provided funding through Robinson College for any Industry/Business/Community group to skill and up-skill their current workforce/clients in this region with any training product on the Robinson College scope. This might mean short high-risk tickets, a cluster of short courses or a more substantial part qualification.

Objective:

- Upskilling your workforce may provide an opportunity to employ 'new to the workforce' persons.

What to do next!

- If you already know what your workforce requires from Robinson College, complete the Training Needs Identification (TNI) funding support letter template (this can be emailed directly to you), add it to your letterhead and sign. Return to Christine Stokes for processing.

Require more information?

- Contact Christine Stokes on 08 80876022 or email on Christine.Stokes@robinsoncollege.nsw.edu.au

A message from Tracey Dodimead, CEO Robinson College

I appreciate your continued support for Robinson College and whilst funding is not guaranteed and is through an application process, the success rate for Robinson College 2018 currently stands at 100%. My team are highly skilled and experienced in this area and will do everything possible to advocate for your business to secure this funding.

Contact Robinson College (RTO90449) on 08 8087 6022 to secure your place.
