9 October 2018

Hello,

Fire and Rescue NSW (FRNSW) will be launching its 2019 recruitment campaign, *More Than Fire*, on 2 November 2018. The campaign is aimed at encouraging men and women with different skills and capabilities to consider becoming a firefighter.

The number of women in the FRNSW ranks has been steadily growing, and this year, we are encouraging even more to think about choosing a firefighting future. The role itself is so much more than firefighting. At FRNSW we respond to the needs of our local communities and as their needs grow and change, so does our role in serving them.

Firefighting is so much more than a job - it's also an extension of a fit and healthy lifestyle. Your active and motivated female members might just be the perfect addition to our team. We are seeking your support to help us promote this year's recruitment campaign through your communication channels to help us make a real and ongoing difference to the communities of NSW.

How you can help:

- Spread the news to all your members via your social media channels, publications and newsletters. We will be using the hashtag #MoreThanFire and more information is available on our website: <http://www.fire.nsw.gov.au/recruitment>
- There are drafted articles provided within the kit for use across your newsletters and social media channels. We have also included videos and images for you to use.
- Display the recruitment poster on any of your bulletin boards or distribute it at key events
- Follow and share from our Facebook page <https://www.facebook.com/frnsw/> and Twitter handle @FRNSW.

Applications for the recruitment campaign open on Monday 5 November 2018 and close on Monday 19 November 2018.

For more information, visit <https://www.fire.nsw.gov.au/recruitment>

If you have any questions or further requests, please contact Elaine Banoub on ebanoub@primary-pr.com or 9212 3888.

We thank you in advance for your support.

Yours sincerely,
