# Principal's Parlku

Well done to the primary students - Kyloh, Cheyenne, Malachy, Brandi and Kiri who represented MCS at the Barrier Swimming Carnival in Broken Hill. All students gave their best effort and three students placed first, second or third in a number of events. Well done students and thank you Christian, Monique and Susan for organising the trip and supporting the students.

Our cross country will be on Wednesday after lunch, your support of the students is always welcomed and valued. Any family or community members interested in running the course are most welcome.

Thank you to the parents and community who have offered to cook for Harmony Day, if you are interested in cooking please give a list of ingredients to Daniel or the front office. We are encouraging students, staff and community to come dressed in costume that signifies their cultural background. I'm looking forward to seeing lots of different cultural outfits.

This week we will be having a practice lock down drill at the school. These drills are important as they help us identify how prepared we will be in such an event and also areas where we need to improve. We will post on Facebook when the drill starts.

*Until next week,*

*Fiona*

## General Information

### Payments:

- Parents can pay for all of their children's orders in one envelope. However each child requires their own envelope on photo day to ensure their order is placed and processed (even if the payment is in a sibling's envelope).
- Payments can be made by cash, cheque, or money orders only.
- Online payments can be made through our website [www.msp.com.au](http://www.msp.com.au) using Credit or Debit cards from Mastercard or Visa. The website will display an order reference code, which should be noted on the o the back of the envelope in the box provided. Each child will require their empty envelope on photo day. Orders can be placed online up to one week after photo day.

### Envelopes:

- Spare order envelopes are provided for the school office. These can be handed out upon request to any new students, or anyone that has misplaced the original.
- Family Photo envelopes are provided for the school office to be handed out on request. These photographs are for school aged students attending your school only (i.e. no babies or parents can be accommodated in these photographs)

### Products:

- The products on the envelopes come as is and are the only packages that we have available. Unfortunately the packages cannot be altered in any way.
- Photographs are delivered approximately 4 weeks after photo day.

### Single Parent Families:

- Parents can place multiple orders for children by either:
  - Placing all the orders on the one envelope
  - Handing in multiple order envelopes (they can collect a spare one from the school office and complete it as usual). If this is the chosen method, it may be worth having them label the envelope as either "Mums Copy" or "Dads Copy", so upon delivery the correct photo order is returned to the correct parent.

Please feel free to pass on our contact details to parents, as we are more than happy to help with any queries that they may have.

# What's Cooking - with Mrs Clenton

Stage 4 has been working on their tasks in Technology Mandatory for their unit on Food that has Influenced Me. They have learnt fundamental skills through practicals of cooking Scones, Spaghetti Bolognese and Chocolate Snowbomb Biscuits. I then introduced the assignment with two recipes of Peri Peri Chicken & chips and Pasties. They are halfway through their individual practicals and will complete them this week.

Stage 5 have been completing the Core units of the course with a Science twist. Practicals have included Rocky Road, Butter Chicken, Impossible Pie and even Sherbet & Sour Worms. This week they start their assessment task on the Australian Guide to Health Eating.

I had the opportunity to go to the Hilton in Sydney for a course for Hospitality a couple of weeks ago. I learnt valuable information and gained many resources and industry links. I look forward to transferring this information to the Yr 11 and 12 classes.
