PRINCIPAL'S PARLKYU

Wow week 8 already, where has the term or rather year gone!

As you can see from our attendance data, we have had a number of students away since we returned to school full time in week 5. Thank you to the parents/carers who contact the front office to let us know when your child is sick and for providing medical certificates.

Congratulations to the students who received their Bronze award last week, I know there will be more students receiving their Bronze in the coming couple of weeks. A rewards BBQ will be held for all Bronze award students on Thursday, 2 July.

This week we hosted Bama, a year 11 student from Wilcannia. Bama attended stage 6 classes yesterday and today so that he remains connected to his peers in the Wilvande Access Program. Visits from other WAP students will be a regular event at MCS. Thanks to Adam Bailey for organising Bama's visit and future visits.

School reports will be delivered home from Wednesday next week. These reports will be different from the usual format due to COVID-19. If you would like a meeting with your child's teacher to discuss your child's progress report please contact the front office.

Niecey and Rosie Clark are organising a Menindee kitchen Rules cookbook with the recipes from our cooking challenges. We would love every family to be included in the book so if you haven't already sent in your recipe please contact Niecey, Rosie or the school.

On Friday of week 2 next term, 31 July, we will be having a family lunch at school. We will provide ingredients for families to cook their favourite MKR dish to share with our MCS family. So keep this date free as we would love to have everyone here together to celebrate our school and community.

Until next week,

Fiona
