Term 2 English

Years 7 – 10

In English this term stage 4 and 5 students have been working hard on their PBL projects.

**Stage 4** have been investigating the Fantasy genre. For their project they are creating their own fantasy world. Sadly, we can't invite the community to our Fantasy World Expo due to covid restrictions but keep an eye on the school facebook page.

**Stage 5** have been enthusiastically learning about the Science Fiction genre. For their PBL task, inspired by H. G. Wells' *War of the Worlds* students have been creating and recording their own radio play. The plays will air on Menindee Radio 88.0 FM Friday 26<sup>th</sup> June starting at 6pm.

Tune in and enjoy!

MCS welcomed Tomasz & Shannon, photographers from Flashpoint Labs in Sydney. Tom accompanied our stage 6 students on the NT excursion last year. It is great to have them in school to help showcase our students and their learning. We look forward to them returning next term to do some workshops with our Visual Design students.
